I am in a very painful and embarrassed situation, growing out of my connection with the Fort Smith enterprise. I have paid and caused to be paid into your treasury about \$250,000, and the only result to me is the most painful perplexity. Now, I have a proposition to make to you, which I think is most liberal and fair, going as far as I possibly can go without ruining myself past all re overy. Now, if you will take up the \$10,000 of coupons, paying me the cash therefor, and give me you will take up the \$10,000 of coupons, paying me the cash therefor, and give me the \$45,000 of bonds, I will let all the remainder of our matters stand until you are ready to open correspondence on the subject yourself.
